Education

Master of Logic 2025 – present

University of Amsterdam

Selective and interdisciplinary Master's programme with a specialisation in logic and language.

BA Philosophy and Honours Programme 2021 – 2025

University of Groningen

Graduated *summa cum laude* with a minor in Linguistics. Bachelor's thesis: *Novel Lies: Lying in Reliable and Unreliable Fictional Narratives* (grade: 9.3). In addition to the BA, completed an interdisciplinary Honours Programme consisting of advanced coursework within and beyond philosophy (extra 45 ECTS).

Academic and Teaching Experience

Editorial Student Assistant September 2024 – August 2025

Night of Philosophy Groningen

Secretary of the editorial board.

Web Class Tutor November 2024 – August 2025

University of Groningen

Provided course literature, assessed assignments, and responded to student enquiries.

Student Assistant Alfasteunpunt September 2023 – August 2025

University of Groningen

Delivered workshops on research methods for secondary-school thesis projects and developed teaching materials in the philosophy of logic.

Teaching Assistant November 2023 – April 2025

University of Groningen

Assisted in undergraduate logic courses for Artificial Intelligence and Philosophy ("Logic and Argumentation Theory" and "Advanced Logic"), including leading tutorials, invigilating examinations, and marking coursework.

Research Assistant June 2024 – November 2024

University of Groningen

Contributed to the PhD project of Özlem Yeter, *Cognitive Building Blocks of Lie Detection*. Investigated children's lie-detection abilities, prepared and corrected experimental materials, and analysed empirical data.

Academic Activities

European Summer School in Logic, Language and Information 2024, 2025, 2026

ESSLLI

Attended advanced courses and workshops in logic, language, and computation. I will present a contributed talk in the Student Session in 2026.

Summer School in Logic and Formal Epistemology June 2026

Carnegie Mellon University

Attended the annual international summer school in logic, formal epistemology, and related areas.

Research Assistant, *Nothing is Logical* January 2026

University of Amsterdam

Conducted linguistic experiments with children.

Reading Group on Stalnaker and Speech Acts October 2024 – June 2025

University of Groningen

Co-organised a reading and discussion group on speech acts and common ground.

Reading Group "Math Monday" February 2024 – July 2024

University of Groningen

Studied measure theory.

Chair, Art Committee

August 2023 – August 2025

STUFF Groningen

Organised artistic events, including an annual theatre production.

Volunteer

2023, 2024

Night of Philosophy Groningen

Participated in academic discussions on logic and philosophy of science and introduced speakers.

Honours Programme Committee (OC)

September 2023 – July 2024

University of Groningen

Represented philosophy students on the Honours Programme committee.

Conference Proceedings

Parafictional Export and Misleading Novels

2026

Proceedings of the ESSLLI 2026 Student Session

Forthcoming. Peer-reviewed conference proceedings.

Conference Talks

Parafictional Export and Misleading Novels

2026
